

Birthday Parties

Celebrate your child with a birthday party at the place where kids can let loose, learn, and explore: the Akron Children's Museum! Your child and their friends will have big fun throughout our interactive exhibits during an action-packed 2-hour affair.

You'll see it's no surprise the museum is rated in akronlife.com's **Best of City**.

Enjoy refreshments in our party space where you may bring your own dessert and decorations for the celebration. Fuel the party with catering by the Lock Stop Café or bring the food of your choice for a small fee. Choose to keep the fun going by adding on a party pleaser experience or a special keepsake craft activity to any party!

You'll love our fun favor options too!

We are happy to offer 2 hour time slots

Saturdays & Sundays:

Check website or email us for times.
